ABOUT MYSELF

Reliable and calm under pressure, I work well in teams and focus on practical, resourceful solutions.

WORK EXPERIENCE

🏢 **King's College** – Soto de Viñuelas, Madrid, Spain

City: Soto de Viñuelas, Madrid | Country: Spain

Exam Invigilator

[1 Feb 2025 – 1 Mar 2025]

Tasked to organise and monitor official exams. This included:

Organising materials and amenities for alumni

Maintaining order during exam taking

Multiple responsibilities as head invigilator

Teamworking

🏢 **Robots in Action** – Spain

Country: Spain

Programming, Design and Robotics teacher in English and Spanish

[4 Feb 2023 – 21 Feb 2025]

Gave robotics courses for children in primary schools as well as online classes to middle-school students teaching multiple programming languages such as Python, HTML and Roblox Lua. The latter also involved teaching students about game, visual and sound design.

Also provided classes and care in summer camps around Madrid, including UpLevel Academy Sanchinarro and King's College (Soto de Viñuelas)

🏢 **Self-Employed** – Colmenar Viejo, Spain

City: Colmenar Viejo | Country: Spain

Consumer electronics repair technician

[1 Jun 2017 – Current]

I currently offer battery, screen and camera replacements for a large variety of mobile phones and laptops, as well as assistance when building and or troubleshooting PCs.

🏢 **Oubita**

Metaverse Designer

[21 Feb 2022 – 17 Sep 2022]

Tasked to create a metaverse space for the company in any platform of my employers' choosing. This included:

1. Sketching and designing 3D models of offices and spaces
2. Modelling said 3D models
3. Coding said models into the platform chosen
4. Organizing events inside and outside to promote the space

Self-Employed

Private Tutor

[1 Mar 2020 – 1 Aug 2022]

Offered private tutoring in both English and Mathematics. During lockdown, i offered online classes in both these areas as well as baccalaureate-level History.
